A SUPER ONE OR TWO-PLAYER AIR COMBAT GAME

BY **Electra**

Air combat at its best. Two planes circling, maneuvering and finally closing for the kill. One or two-player with Robot feature — man against man or against the machine.

The individual player scores by shooting down his opponent. If protagonists collide, both plummet to the ground.

Control sticks enable player to climb, dive, fire guns and adjust speed.

Solid State monitor. Adjustable game length. Realistic aircraft and explosion sounds.
